

Citra-Soy 3

Technical Data Sheet

Natural All-Purpose Cleaner & Degreaser

All-natural, environmentally friendly, liquid concentrated cleaner and degreaser formulated from orange peels and soybeans.

Description:

NuGeneration Technologies' Citra-Soy 3 is an all-natural liquid, concentrated (contains NO water) cleaner, formulated with the natural solvents derived from orange peels and soybeans. Citra-Soy 3 offers environmental compatibility, user safety and low cost for disposal, all while providing heavy-duty cleaning of all surfaces. Excellent on electronics such as PCB's (Printed Circuit Boards), flat panel displays and metal surfaces.

Characteristics:

Citra-Soy 3 is an excellent cleaner for tenacious oils and greases, and a great replacement for toxic petroleum solvents, chlorinated solvents, and caustics. Removes: dirt, oils, fingerprints, greases, glues, gums, tar, polishing and buffing compounds, drawing compounds, wax, tacky residues, labels, inks and adhesives from any washable surface. Citra-Soy 3 is highly effective in industrial applications such as engine degreasing, road tar removal, cleaning of brake dust, white walls, dash boards, plastics, vinyl and carpets, tools and machinery, motors, cabinets, oils stains, benches, concrete floors and tile floors.

Directions for Use:

Citra-Soy 3 is effective, and recommended for use, at ambient temperatures. It can be used at full strength, up to an 1:8 dilution in water for spray or ultrasonic applications.

Product Benefits

- Heavy-duty, natural, multi-surface cleaner and degreaser
- Bio-based, environmentally friendly formula
- USDA/FDA approved
- High soil loading, neutral pH

Physical Properties

Physical Properties

Use concentration, heavy-duty (spray/immersion)	Full strength
Use concentration, heavy duty (ultrasonic)	1:1 in water
Use concentration, light-duty (spray/ultrasonic)	1:8 in water
Bulk Density	7.5 lbs/gal
Operating Temps	Ambient
pH, Concentrate	Not applicable
pH, @5%	Neutral
VOC (Concentrate)	810 g/L
Flash Point	> 175 °F
Chelates	No
Soluble in water	Miscible
Biodegradable	Yes
Corrosive	No

Availability: 5-gallon and 55-gallon containers, 275-gallon totes and bulk tankers.

Shipment: Non-regulated material, liquid

Storage: Keep out of direct sunlight. Keep from freezing. Store between 40 ° F - 120 °F.

Disposal: Dispose of in accordance with local, state, and federal regulations. For assistance with disposal contact NuGeneration Technologies at 888-99-NuGen or email: info@nugentec.com.

Regulatory: This product is classified and labeled according to the Globally Harmonized System (GHS).
