

# Iodine

## First-Aid Measures

**General information:** Symptoms of poisoning may occur after exposure to dust, fumes or particulates; seek medical attention if feeling unwell.

**After inhalation:** Supply fresh air. If required, provide artificial respiration. Consult doctor if symptoms persist. In case of unconsciousness place patient stably in side position for transportation.

**After skin contact:** Generally the product does not irritate the skin.

**After eye contact:** Rinse opened eye for several minutes under running water.

**After swallowing:** If swallowed and symptoms occur, consult a doctor.

DOT UN3288

Class: 6.1

Packing group:

HEALTH	2
FIRE	0
REACTIVITY	0

## Warning

### Hazard statements:

Very toxic to aquatic life. Harmful in contact with skin or if inhaled.

### Precautionary statements:

Avoid breathing dust/fume/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Specific treatment (see supplementary first aid instructions on this Safety Data Sheet). IF INHALED: Remove person to fresh air and keep comfortable for breathing. Dispose of contents/container in accordance with local/regional/national/international regulations.

**Product contains:** Iodine
