

Nitrile Examination Gloves

Nitrile Examination Gloves includes numerous quality features which are accepted as the industry standard. In addition, nitrile gloves now have a new formula for increased softness and comfort and are even closer to latex gloves in stretch, tactile sensitivity, and performance. They are recommended for use in areas that may involve levels of stress.

Dimensions: 240mm x 120mm x 70mm

100% latex-free - made from durable nitrile, eliminates the Type I allergic reaction associated with natural rubber
