

NuSolv AR 2V4

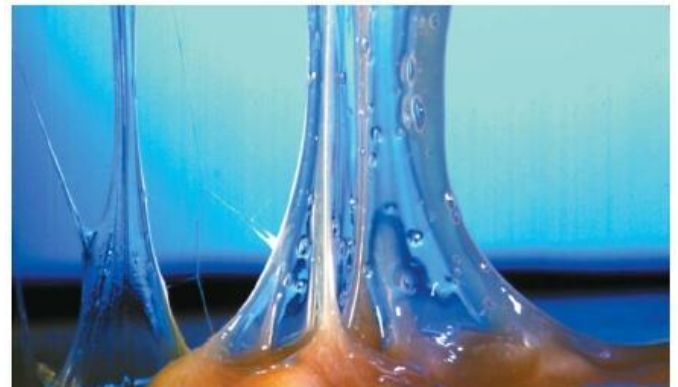

Technical Data Sheet

Non-Toxic, Zero-VOC Adhesive Remover

Non-toxic mixture of solvents used to remove a variety of adhesives, both cured and uncured. Also removes fluxes, pastes, organics, fingerprints and greases.

Description:

NuGeneration Technologies' NuSolv AR 2V4 is a non-toxic, zero-VOC mixture of solvents used to remove cured and uncured adhesives, fluxes, pastes, organics, fingerprints and greases from a multitude of surfaces. NuSolv AR 2V4 is highly effective at removing the most tenacious adhesives, including cyanoacrylates like Super Glue.

Characteristics:

NuSolv AR 2V4 was formulated to be used at ambient temperatures for cold-cleaning applications. NuSolv AR 2V4 contains a mixture of solvents, allowing for effective removal of a wide variety of adhesives, both cured and uncured, fluxes, pastes, organics, fingerprints and greases. NuSolv AR 2V4 contains no toxic solvents, and no VOC's making it the intelligent choice for worker safety, and the environment. NuSolv AR 2V4 will not harm part components or surfaces, and works through dissolution. NuSolv AR 2V4 is an effective, and cost competitive replacement for.

Directions for Use:

NuSolv AR 2V4 is used at 100% concentration, and is effective at ambient temperatures in cold cleaning applications. The parameters can vary due to the type and extent of soils to be removed. NuSolv AR 2V4 can be recycled for continual use.

Product Benefits

- Non-toxic environmentally friendly solvent blend.
- Effective at ambient temperatures for cold-cleaning applications.
- High soil loading and fast. No rinsing required.

Physical Properties

Physical Properties

Use concentration (cold-cleaning/immersion)	100% by volume
Bulk Density	7.4 lbs/gal
Operating Temps	Ambient
Boiling Point	56 °C
pH, @100%	N/A
VOC (Concentrate)	0 g/L
Flash Point	-10 °C
Toxic?	No
Corrosive	No
Flammable	Yes

Availability: 1-gallon, 5-gallon and 55-gallon containers, 275-gallon totes and bulk tankers.

Shipment: UN1993 Flammable liquids, n.o.s. (Methyl Acetate), 3, PG II, ERG #128

Storage: Keep out of direct sunlight. Keep from freezing. Store between 40 ° F - 120 °F.

Disposal: Dispose of in accordance with local, state, and federal regulations. For assistance with disposal contact NuGeneration Technologies at 888-99-NuGen or email: info@nugentec.com.

Regulatory: This product is classified and labeled according to the Globally Harmonized System (GHS).
